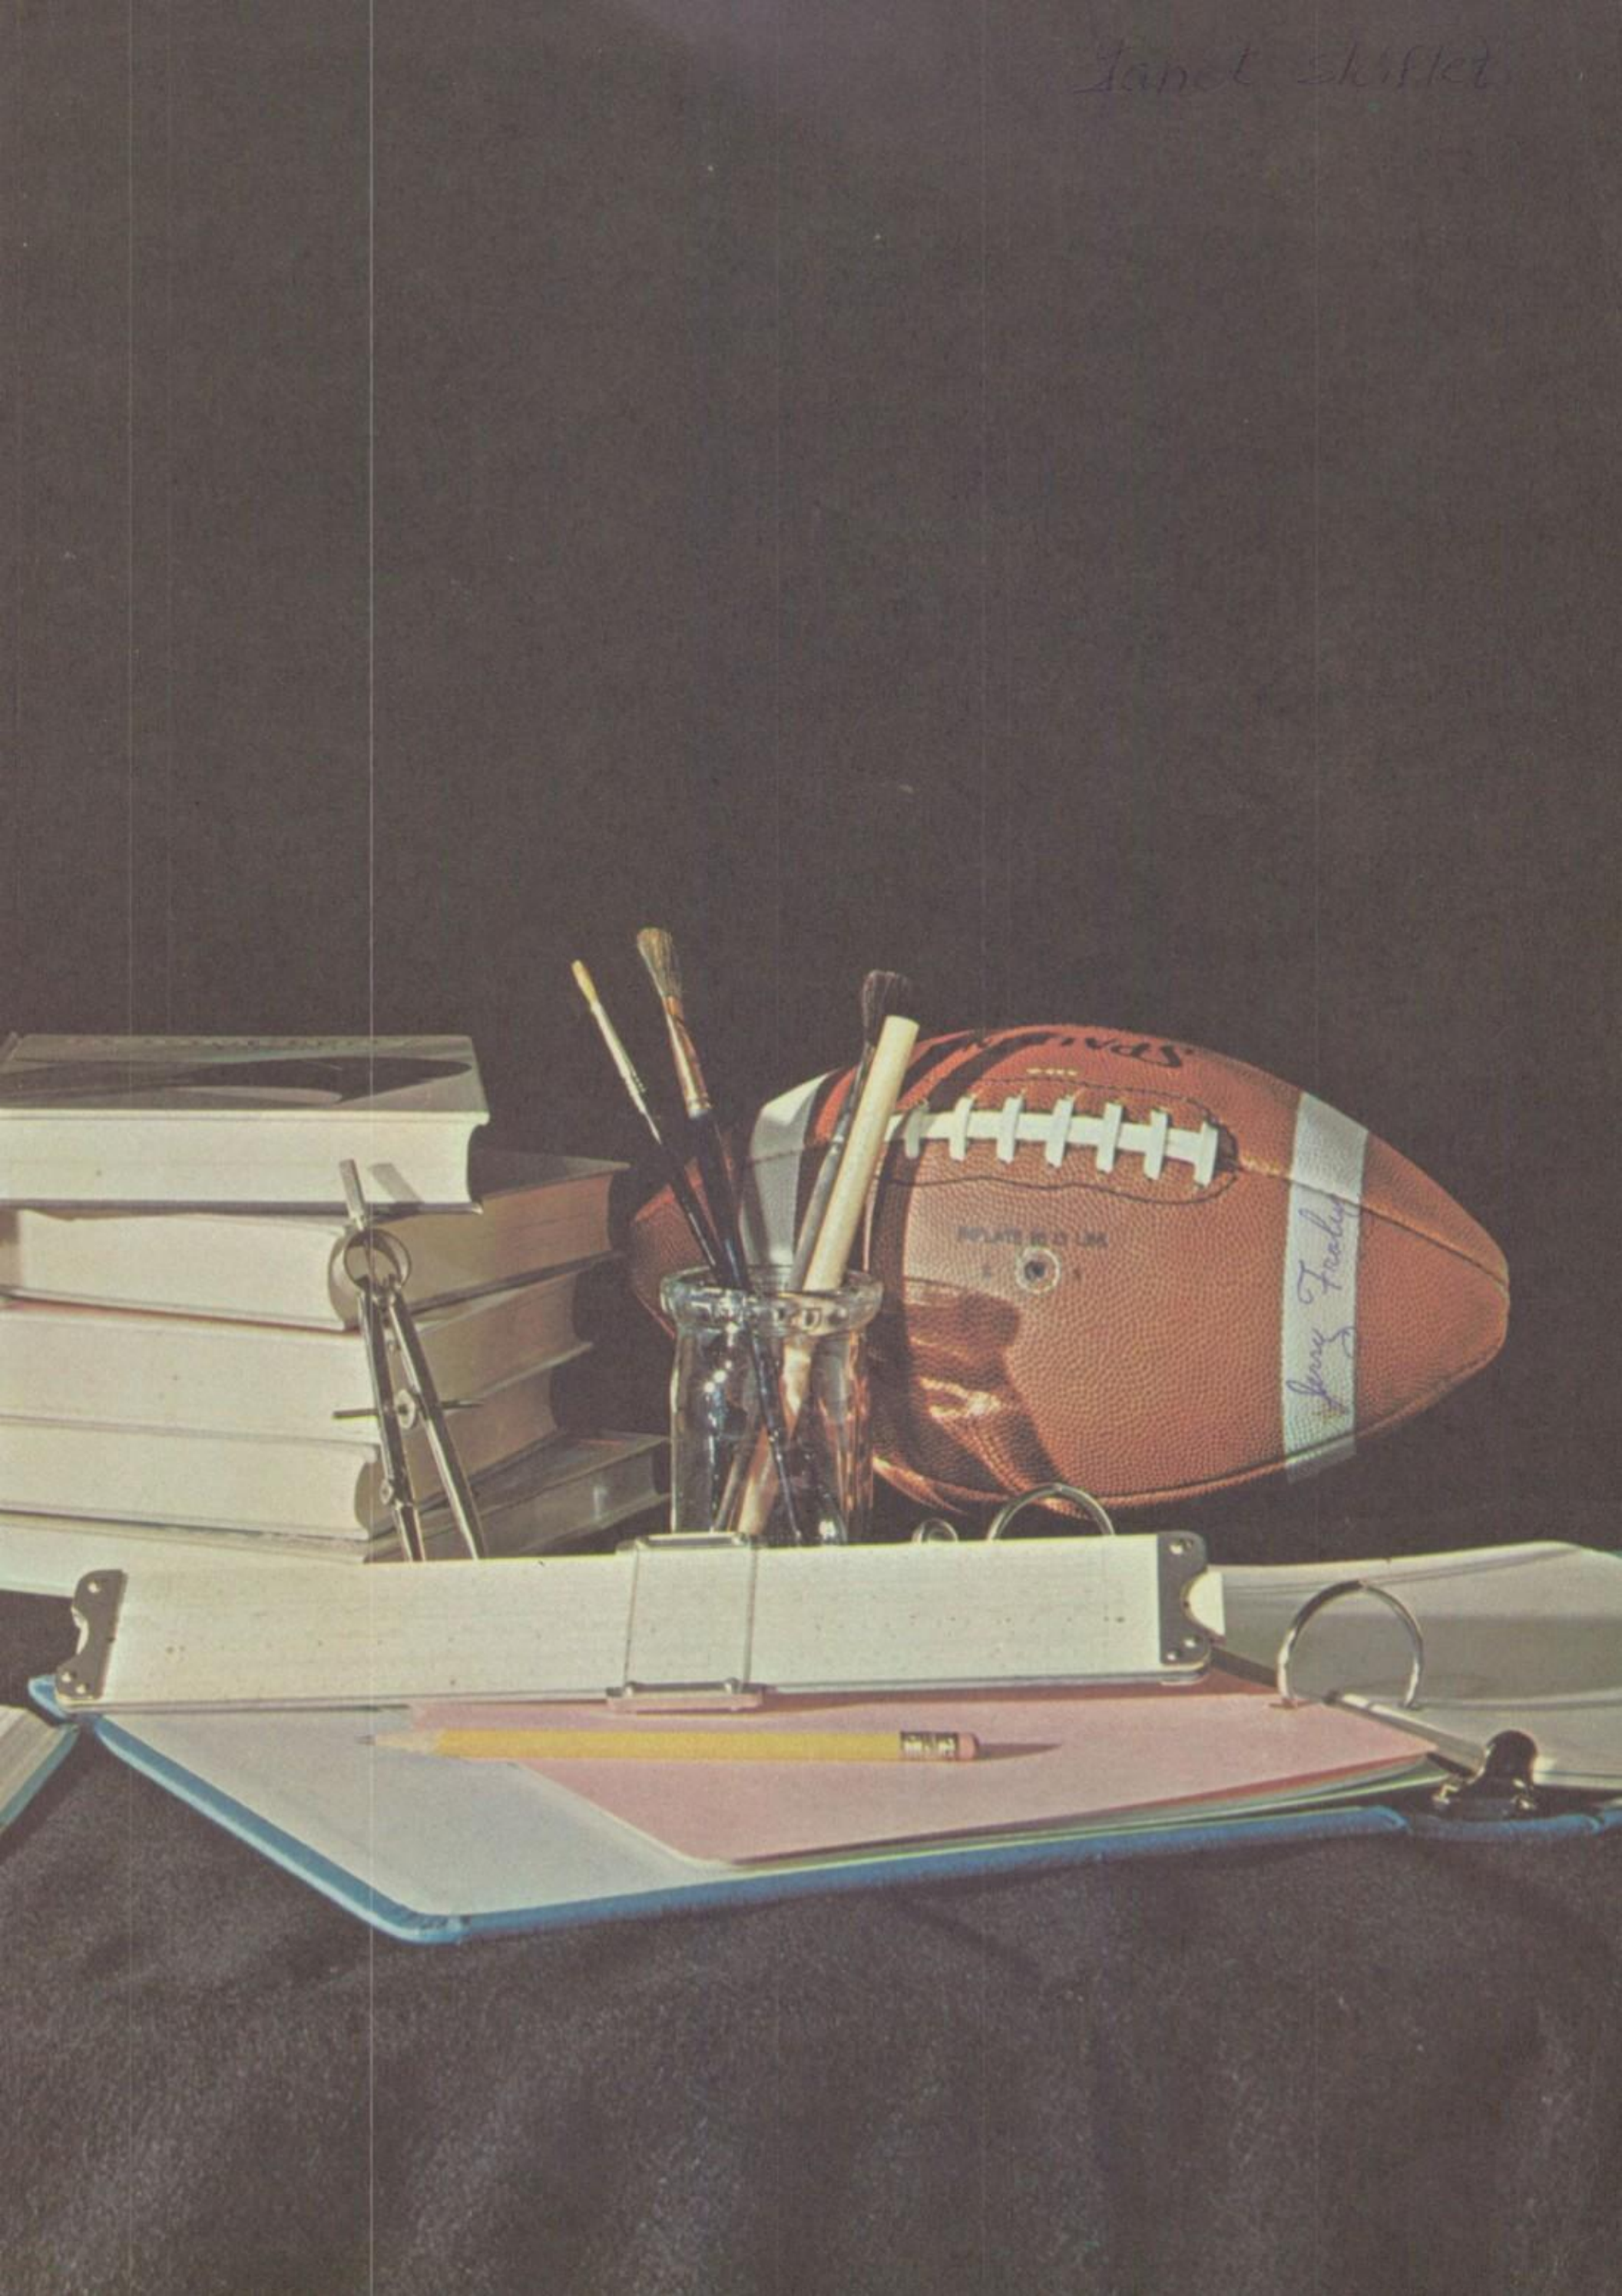
LUMBERJACK



Janet:
To a real sweet girl, whom I have really enjoyed knowing. I hope things turn out good for you in the future and whatever you get what and whoever you want in life. Ever since I have known you it sure has been a short time it sure has been a short time I really mean it. Now that we're better friends as I fill now I hope we can take over where we left off. This summer I'll think of you and remember the few times we've talked. Maybe you can go back on memories it sure is nice to think of good and bad times. I do this summer. I have memories succeed in your schools yet when you become a senior ready to succeed. you can say to yourself. I tried. But with your good looks and wonderful personality I'm "sure" you'll succeed. Hope you didn't mind I writing so much. So I'll close now. I wish you "Best Wishes" for the future and much who ever he may be. I'll always remember you.

Love ya always,

As a token of appreciation, we, the senior class, dedicate the 1968 LUMBERJACK to our sponsors

MISS VERDIE RANSBERGER
MRS. JEAN McCUTCHEON
MR. JAMES LOSCH

Throughout the past three years, they have given graciously of their time and knowledge, always with our best interest at heart. Their patient and untiring efforts have guided us in our many projects and decisions. Unfailingly, they have aided, directed, and supported us in all of our endeavors, spending endless hours helping us to raise money, to decorate for dances and parades, to order class rings, and to fulfill our other obligations.

Miss Ransberger, Mrs. McCutcheon, Mr. Losch, for all the times your efforts seemed to have been taken for granted and perhaps not recognized, we say THANKS. We appreciate the sacrifices you have made and the work you have done for our class.

We hope this annual will always remind you of your Class of '68, for you have done so much to inspire our gratitude, friendship, and respect.

Sponsors participated in all phases of our class activities.

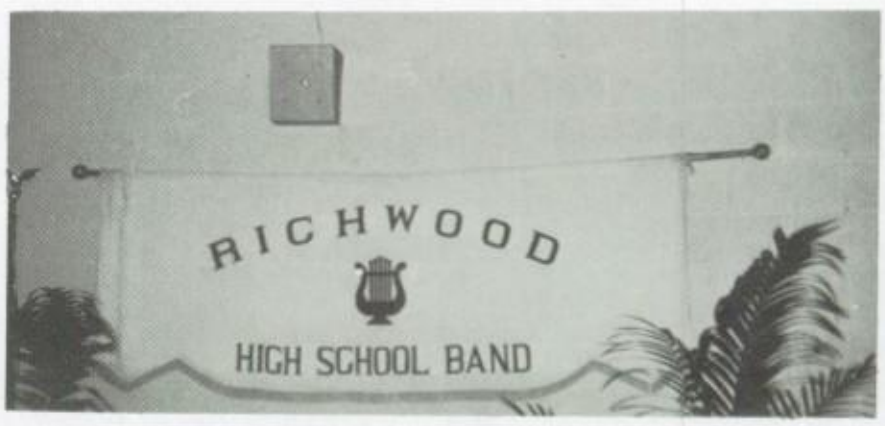
These Walls Harbor Memories Which Will Never Be Forgotten

"When to the sessions of sweet silent thought, I summon up remembrances of things past, . . ."

. . . Shakespeare



A TRIBUTE

These buildings, our educational home, in which our goals and dreams have been molded, compose Richwood High School. The old building, now empty, but not forgotten, was constructed in the year 1917. This was the nucleus of learning for almost a half century. The old building was planned to accommodate 500 students. The enrollment increased until in 1959 there were approximately 1000 students in the old building. A special levy was passed and in 1960 construction of the new high school began. By 1961 the science wing of the proposed building was completed. The ten new rooms were used for Physics, Chemistry, Biology, English, Science, History, Civics, and Spanish.

In January 1965 the second wing of the new building was completed. This had sixteen rooms: three rooms in the Home Economics Department — sewing, cooking, and conference; three rooms in the Commercial Department — typing, bookkeeping, office practice; eight rooms for classes in English, Mathematics, History, and Shorthand; and two lounges for the faculty.

In January 1968 the students moved into another new addition. This was an important move, because after years of traveling between the buildings for classes, the school was united at last under one roof.

The class of '68 pays tribute to the "old building," from which, in its 50 years of use as our high school, more than 5000 students were graduated. The old building is empty now, but in our hearts, memories of the good times we had within those walls live on.

TO THE SENIORS

Education, desire, and perseverance are keys which will open many doors of opportunity in the future. Learning is an accumulative process which begins at birth and never ceases. Knowledge acquired in high school serves only as a foundation upon which to build or a launching pad from which to rise and meet your goals and aspirations. Broaden your horizons and exploit your potential so that you may be a useful part of our complex world.

Progress appears slow for many, but prizes that are easily won seldom have lasting value. Select a challenging vocation commensurate with your capabilities, be of service to mankind, and live in harmony with your neighbor. Drink deeply from the cup of life, savoring every golden moment like a connoisseur.

LOOKING BACK

The walls of RHS harbor many memories for the Seniors. We will never forget the fall of 1964 when 262 students came from many different schools to form the Class of 1968.

We freshmen chose Mike Brown as President of our class; Craig Lipscomb, Vice-President; Linda Urbas, Secretary; Linda Spinks, Treasurer; and Mike Adams, Representative. Mike Brown and Linda Urbas received the Citizenship Awards and we chose Sue Hoback and Charles Swearingen as our Miss Lumberjack Attendant and Escort. Mrs. Morris was our sponsor for that memorable first year in RHS.

In our sophomore year we acquired new sponsors, Mrs. McCutcheon, Mr. Losch, and Miss Ransberger. Our officers were Craig Lipscomb, President; Linda Urbas, Vice-President; Marseille Jaco, Secretary; Jenny Ellison, Treasurer; and Gary Jones, Representative. Our Miss Lumberjack Attendant for 1965 was Erma Sullivan; her Escort, Larry Chapman. Craig Lipscomb, Carol Butler, Janet Thorpe, and Mike Brown were chosen to represent our class at Camp Horseshoe.

In 1966-67, as juniors, we realize the responsibility that was now ours. The class elected Charles Swearingen, President and Linda Urbas, Vice-President. Brenda Dillon was elected as Treasurer; Marseille Jaco, Secretary; and Gary Jones, Representative. To raise money for our activities we sold light bulbs and fruit cakes, and held bake sales. Joy Dillon was the Junior Class Attendant to Miss Lumberjack and Eddie Given was her escort. Julia O'Dell, Linda Urbas, and Libby Westfall went to Girls State and Craig Lipscomb was selected to attend Boys State. Also, Linda Urbas and Mike Brown were chosen to go to Know Your State Government Day. We worked diligently to make our Junior-Senior Dance a success and our "Deep Purple Dream" came true. Our first three years at RHS had been fun and we eagerly anticipated our last year.

The history of our Senior year is recorded in this 1968 *Lumberjack*. Our stay in RHS will soon be over. As we graduate and go our separate ways, we will cherish the memories of our happy days Within These Walls.

Tonight's game, the las game of the season for th teams, was played before a rec ord crowd of over 4,000. Rich wood ended the season with 7-2-1 record while Summersvill had an 8-2 record.
